Re: Speech Candidate

I am recommending that Jacqueline Marsh be approved as a full time Speech Therapist in our district. BOCES and I have been advertising this position since the spring and there have been very limited candidates. Jackie has 25 years of experience in the field and when I interviewed her, I was so encouraged by her wealth of information and the similarity in her educational philosophy with that of myself and the district. She has a passion for her work and I believe she can continue to utilize this passion in her work with our GMU students. Jackie has been seeking employment closer to home and we would be that for her. Upon checking references, my positive feelings about her were confirmed when her current supervisor stressed how hard it will be to lose her. She also spoke of her knowledge and successful work with students on the development of their speech.

After a long search, I am very excited to be recommending Jacqueline Marsh for this position. Please let me know if you have any further questions.
