Subject: Cleaner Position

I am recommending Nichlas Cammer for the position of cleaner at Gilbertsville-Mount Upton School with a start date of 10/08/ 2026. The position was advertised and candidates were selected for interviewing. The field of candidates was narrowed down. A second interview was held with the maintenance department and reference checks were made and the response were very positive. A recommendation was made and accepted by the interview team.

Addition of Bus Driver/Food Service Helper Title

This Memorandum of Agreement (the "MOA") is made by and between the Gilbertsville-Mount Upton Central School District (referred to in this document as the "District") and the Gilbertsville-Mount Upton CSD CSEA LOCAL 1000 AFSCME, AFL-CIO Unit #8108 Otsego County Local 839 (referred to in this document as the "Association"), hereinafter collectively referred to as the "Parties."

WHEREAS, the Parties are subject to the provisions of a Collective Bargaining Agreement (the "CBA"), commencing July 1, 2026, and remaining in effect through June 30, 2029; and

WHEREAS, the Association represents the majority of non-teaching service employees, including non-managerial transportation and food service employees employed by the District; and

WHEREAS, the District has created the position of Bus Driver/Food Service Helper; and

WHEREAS, the Parties acknowledge that the duties of the Bus Driver/Food Service Helper position are similar to the duties of other titles represented by the Association; and

WHEREAS, *Article XVI, Salary, Section B, Starting Salary Ranges,* provides information regarding the minimum salaries for unit members; and

WHEREAS, the Parties wish to add the title Bus Driver/Food Service Helper to the Collective Bargaining Unit and to establish the minimum starting salary for the title; and accordingly,

IT IS, THEREFORE, HEREBY AGREED AS FOLLOWS:

1. Effective upon signing of this MOA, the title Bus Driver/Food Service Helper shall be made part of the Collective Bargaining Unit. The Parties agree that the Bus Driver/Food Service Helper position will be represented by the Bargaining Unit and will be entitled to the benefits afforded under the Parties' current Collective Bargaining Agreement.

2. The minimum starting salary for the title Bus Driver/Food Service Helper shall be $20.00/hour.

3. This revision is to be incorporated into the next Collective Bargaining Agreement.

4. The circumstances of this MOA are unique, and this MOA shall not serve as precedent, nor shall it be cited as such, in the future.

5. This MOA shall represent the full and complete agreement between the Parties regarding this matter and cannot be added to, changed, or otherwise modified without the written consent of all Parties.

6. This MOA shall become effective upon execution by the Parties.

Re: Bus Purchases

Date: October 2, 2026

For our bus replacement purchase, I am recommending that we purchase 2 buses for the 2027-2028 school year. 1–35 Passenger Freightliner/Thomas Saf –T- Liner C2 Conventional Bus and 1-39 Passenger Freightliner/Thomas Saf –T- Liner C2 Conventional 2WC Bus. The cost for the 35 Passenger bus and 39 Passenger 2WC Bus will be $391,721.00.

We would be replacing 2 Buses, Bus 64 2015 Chevy Transtech WC Bus and Bus 71 2017 Chevy Trachtech Bus. The useful life is nearing its end, due to rusting issues, repair costs and DOT Inspection concerns. The cost bodywork would not be cost effective to remain in the fleet.

The buses can be purchased through State Contract.

If you have any questions, please do not hesitate to call me on Ext. 115.

The Big Picture

Moving from high-stakes standardized testing to real-world readiness, competency-based mastery, and inclusive education.

"**Equity in education is not about lowering standards**. It's about ensuring that every student, regardless of background, has the opportunity to demonstrate their learning in meaningful ways. Culturally responsive-sustaining education is at the heart of this work, affirming students' identities, engaging them more deeply in learning, and ensuring that high expectations are matched with the supports they need to meet them. **Our goal is not to make graduation easier**, but to make it more fair, more rigorous, and better aligned with the demands of college, career, and civic life."

~ Commissioner Betty A. Rosa

NY Inspires Message from Commissioner Betty A. Rosa

nysut

"New York is right to rethink a system that too often measures a student's success by performance on a single high-stakes exam. We support the direction of NY Inspires – maintaining high academic standards while creating more meaningful ways for students to demonstrate what they know and can do."

Transforming P-12 into a Competency-Based System

- Learning, Not Time
- Competencies, Not Credits
- Connected, Not Siloed

NY INSPIRES: A New System for New York

Competency-Based

Rather than perpetuating antiquated systems based on credits and GPAs, New York will move to a competency-based system that allows students to demonstrate readiness in multiple ways, at their own pace.

Personalized and Focused on the Whole Child

Learning will be more personalized to the needs, strengths, and interests of students, and support students' mental, social, emotional, and physical well-being.

Rigorous and Culturally Responsive

All students will have access to rigorous, high-quality learning experiences and environments grounded in New York's CR-SE Framework.

Meaningful and Connected

The educational program will focus on depth of learning and interdisciplinary, real-world connections, rather than on siloed content or checking boxes.

Multiple Ways to Learn and Demonstrate Learning

Students will graduate high school with a body of evidence demonstrating they have achieved readiness in the competencies necessary for post-secondary success, reflected on a clear, multi-dimensional statewide transcript.

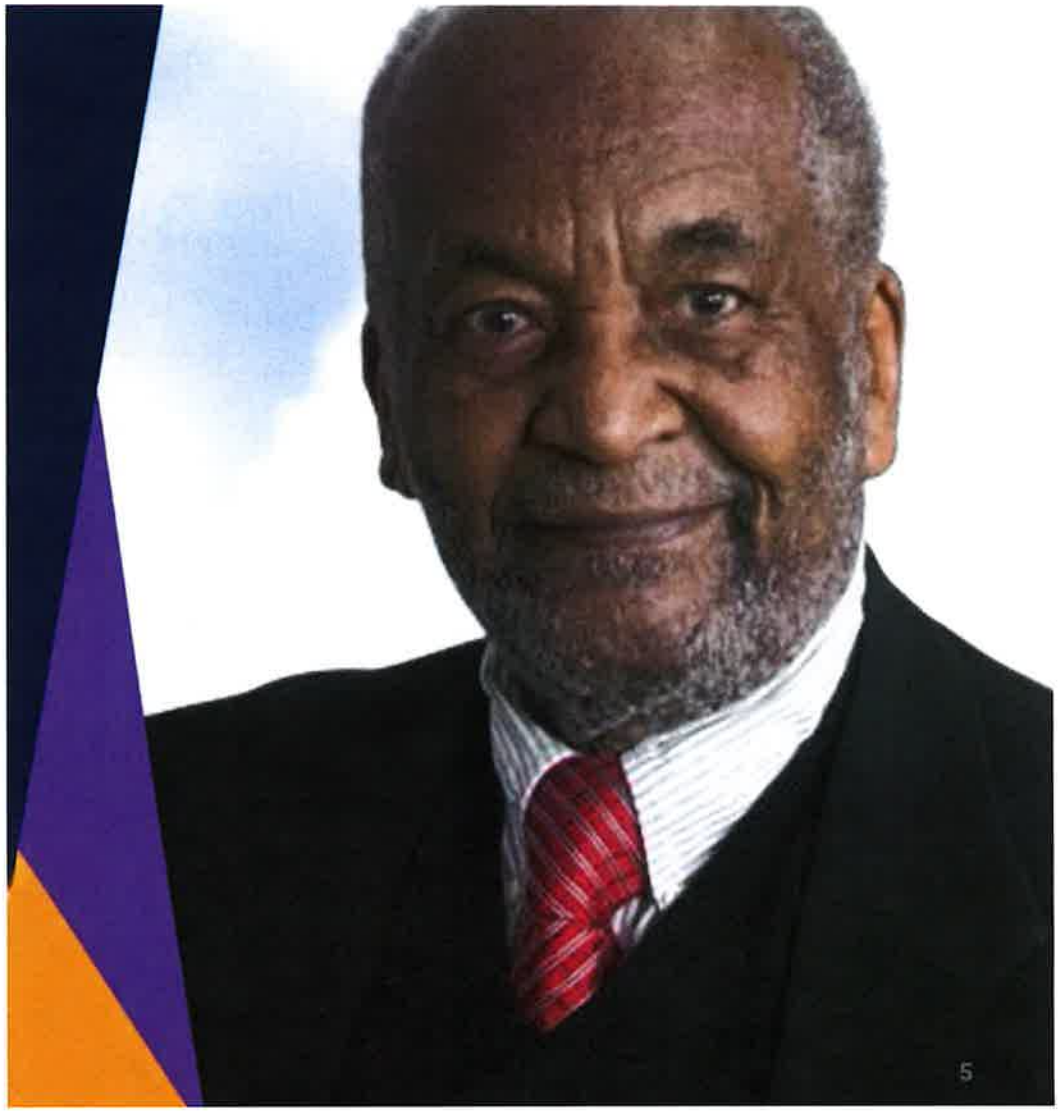
Motivation for Assessment Shifts

It is critical that the nation's leaders recognize that there are multiple purposes of assessment and that a better balance must be struck among them. The country must invest in new types of assessments that work together in synergistic ways to effectively accomplish these different purposes - in essence, systems of assessment.

The Gordon Commission on the Future of Assessment in Education

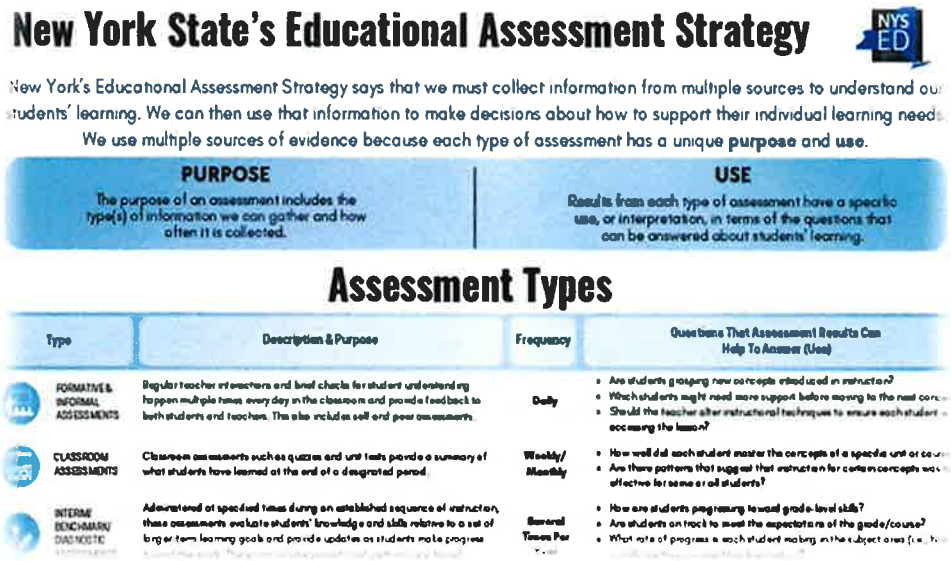


Local Assessment Strategies

Schools and districts use multiple sources of evidence to understand student learning.

This can include classroom assessments, student work, performance-based learning, educator observations, and State assessments.

The Department provides guidance, templates, and webinars to support design and implementation of local assessment strategies.



New York State's Educational Assessment Strategy

New York's Educational Assessment Strategy says that we must collect information from multiple sources to understand our students' learning. We can then use that information to make decisions about how to support their individual learning needs. We use multiple sources of evidence because each type of assessment has a unique **purpose** and **use**.

PURPOSE	USE
The purpose of an assessment includes the type(s) of information we can gather and how often it is collected.	Results from each type of assessment have a specific use, or interpretation, in terms of the questions that can be answered about students' learning.

Assessment Types

Type	Description & Purpose	Frequency	Questions That Assessment Results Can Help To Answer (Use)
FORMATIVE & INFORMAL ASSESSMENTS	Regular teacher interactions and brief checks for student understanding happen multiple times every day in the classroom and provide feedback to both students and teachers. This also includes self and peer assessments. From Multi-Purpose Tool to Focused Measure

CURRENT

Regents Exams

one exam system serving three purposes

1. **Learning standards**
   Show degree to which students have demonstrated skills tied to State standards.
2. **Accountability**
   Statewide progress and achievement measures for accountability and equity.
3. **Readiness evidence**
   Supports postsecondary readiness claims.

TRANSITION

clarify connection between purpose and use

PROPOSED

Regents Exams
Show degree to which students have demonstrated skills tied to State standards.

High School ESSA Assessments (Grades 3–11 Program)
Statewide progress and achievement measures for accountability and equity

Local Assessment Strategies
Evidence of readiness across multiple learning experiences.

Bottom line: Regents Exams remain important – but their role narrows and becomes more transparent.

Statewide Accountability and Federal Requirements

01 Federal law requires statewide assessments in ELA, math, science; NY also includes social studies.

02 Development of high school accountability assessments that provide comparable statewide evidence of progress and achievement with opportunity to measure growth.

03 Additional ESSA accountability related changes anticipated at Board of Regents meetings in fall 2026

Implementation Timeline and Next Steps

PHASE 1
Installation
Fall 2025 - Summer 2027

Includes Portrait of a Graduate adoption

PHASE 2
Initial Implementation
Fall 2027 - Summer 2029

Includes diploma and assessment transformations

Students graduating 2027-2028 school year or later will earn one NYS diploma without separate diploma assessment requirements

Department staff will move forward immediately with regulatory and implementation steps upon approval.

Ongoing guidance and public sharing of local assessment strategies during the 2027-28 school year.

Continued resource support to ensure successful and sustained implementation.

Cohort vs. Class

Cohort	Class
• A cohort is the year in which a student enters 9th grade ○ 9th graders = cohort of 2026 ○ 10th graders = cohort of 2025 ○ 11th graders = cohort of 2024 ○ 12th graders = cohort of 2023	• The class is the year in which the student will graduate (typically 4 years) ○ 9th graders = class of 2030 ○ 10th graders = class of 2029 ○ 11th graders = class of 2028 ○ 12th graders = class of 2027

Diploma Requirements by Cohort (Entering Grade 9)

COHORT 2023 AND PRIOR

Current diploma requirements* leading to one of three diplomas (Local, Regents, or Regents with Advanced Designation)

**eligible students may request an exemption due to major life events*

COHORTS 2024-2026

- One diploma
- Current credit requirements
- Diploma assessment requirements decoupled for the 2027-2028 School Year; students assessed according to local assessment strategies

COHORTS 2027-2028

- One Diploma
- Redefined learning experiences
- Local assessment strategies refined

COHORT 2029 +

- Full implementation of NY Inspires, including statewide transcript

What Does this Mean for My Child's Graduation?

Regulatory Amendments

Regulatory amendments will be needed:

Across Part 100 of the Commissioner's Regulations there are references to "required Regents examination(s)" and "passing 5 Regents exams" as well as "Department-approved alternative examinations."

Section 100.5 contains the specific diploma requirements:

- Subdivision (a) contains general diploma requirements;
- Subdivisions (b) and (c) contain additional Regents and Local diploma requirements; and
- Subdivision (d) contains alternatives to Regents and Local diploma requirements

Additionally, numerous sections throughout Title 8 of the NYCRR contain references to Regents and Local diplomas.

Regulatory amendments will remove:

- the requirement to pass Regents examinations to earn a diploma;
- references to "required assessments";
- the distinction between Regents and Local diplomas, as we shift to One Diploma

Anticipated timeline:

The regulatory amendments will be presented to the Board of Regents as a discussion item at their February 2027 meeting.

The amendments will come back to the Board at its June 2027 meeting for adoption, with an effective date of July 1, 2027 so that the regulations will be in effect beginning with the 2027-2028 school year.

Next Steps

- If the Board votes to have the Department move forward, we will issue a guidance memo with more details for schools, including the specific implications for different student cohorts.
- Department staff will return to the Board in November with information about necessary revisions to NY's federal ESSA Plan and accountability updates.

Transforming

Education

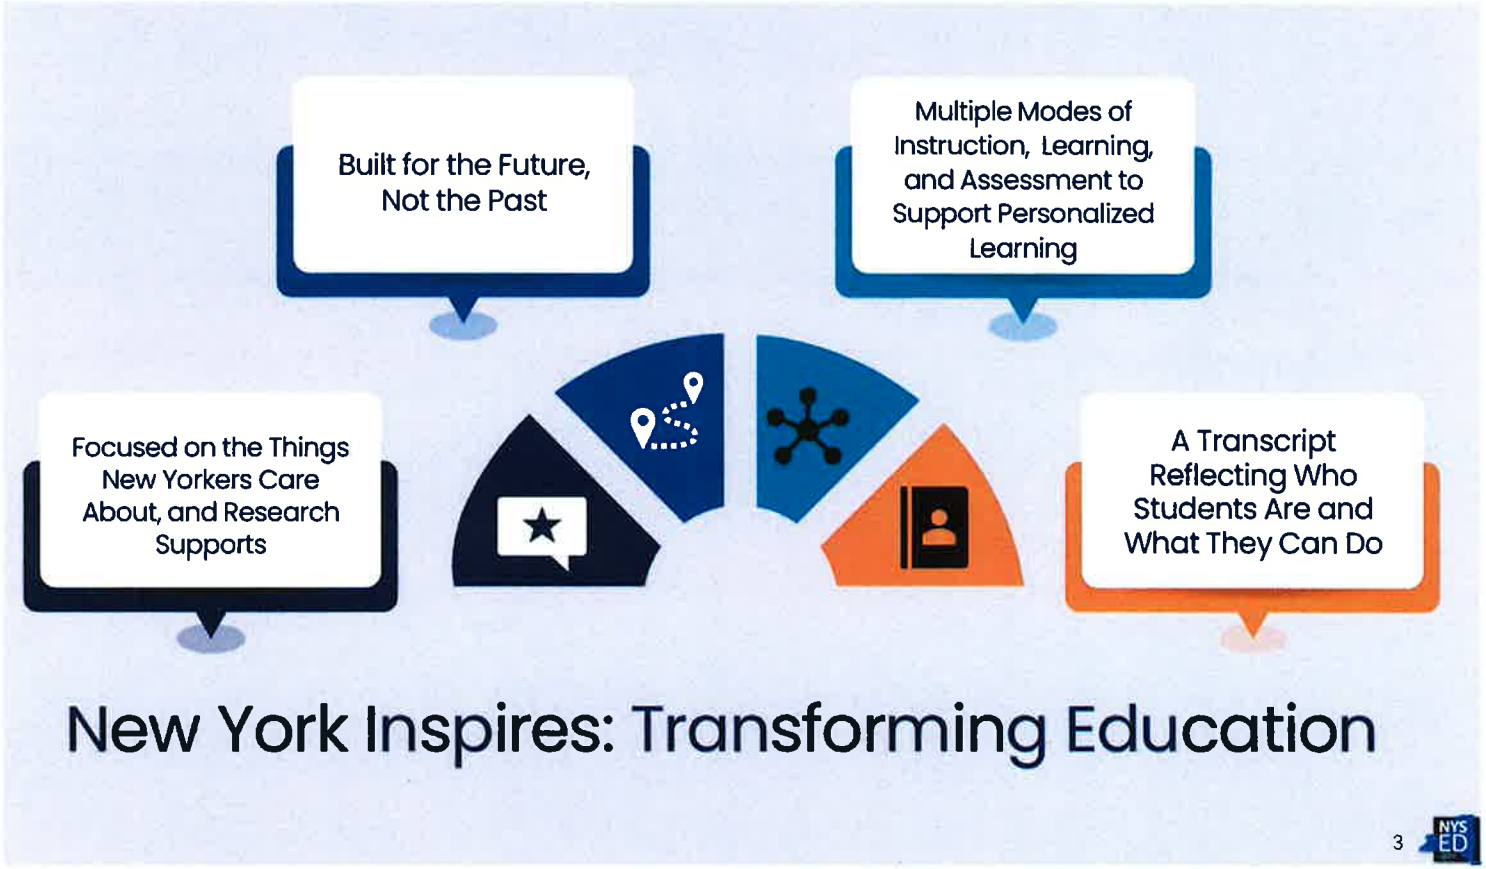

Image Source: NYSED

STANDARDS VS COMPETENCIES

Standards

- The knowledge and skill students should know or be able to do within a particular content area at a given grade level/band or in a given course
- Organized by content area, grade level/band, and sometimes course
- Content-area specific
- PK-12 expectations

- **Necessary for students to demonstrate competencies**

Competencies

- A measurable and transferable expectation, grounded in the NYS learning standards and aligned to Portrait of a Graduate attributes, that defines what students must demonstrate to show readiness for graduation
- Can be demonstrated in multiple ways and settings
- Interdisciplinary
- Not fixed to a grade level, course, or moment in time

- **Grounded in NYS Learning Standards**

COMPETENCY-BASED JOURNEY

1 COMPETENCIES

Clear expectations aligned to the Portrait of a Graduate and rooted in NYS standards.

2 LEARNING EXPERIENCES

Students engage in meaningful learning in schools, communities, and real-world settings.

3 EVIDENCE DEMONSTRATIONS

Students show what they know, can do, and care about through a variety of ways.

4 LEARNER PROFILE

Recognition of evidence that student achieved graduate level competencies.

ONE NEW YORK STATE DIPLOMA

Earned through demonstrated **readiness** across required Portrait-aligned competencies.

READINESS INDICATORS

- I believe I can successfully show I am ready.
- My demonstration of knowledge, skills, and habits shows I am ready.
- I embody cultural responsiveness.
- My academic accomplishments show I am ready.
- I have multiple sources of evidence from local measures that show I am ready.

Key Takeaways

- Graduation standards have not been and are not being lowered.
- **Regents examinations will continue** as rigorous statewide measures of student achievement.
- The District will be working through what the local assessment looks like with forthcoming SED guidance.
