SHARED SERVICES AGREEMENT
By and Between
The Laurens Central School District and the Gilbertsville-Mt.Upton Central School District

THIS AGREEMENT, made this 28rd day of August, 2025 by and between the Gilbertsville-Mt.Upton Central School District (hereinafter referred to as "District of Residence" and the Laurens Central School District (hereinafter referred to as "District of Attendance" provides as follows:

WHEREAS, in accordance with the Individuals with Disabilities Education Improvement Act and Article 89 of the New York State Education Law, the Parties recognize the obligation of the District of Residence to offer to every eligible resident student with a disability a free appropriate public education.

WHEREAS, the District of Residence has students who, due to the nature of their disabilities and the extent of their needs, require programs or placements not available in their District.

WHEREAS, in accordance with Education Law §4402(2)(b), a board of education is authorized to contract with neighboring districts for the provision of special education services.

WHEREFORE, the Parties mutually agree to the following:

1. When the Committee on Special Education (CSE) Chair of the District of Residence determines, due to the extent of the needs and/or the unique nature of the disability of a resident student, that the District may not have an appropriate program for the student, the District may, with the Parents' consent, seek a program placement in another public school district or a private school approved by the State Education Department to provide special education and/or related services to students with disabilities, to determine whether the entity can offer an appropriate program for the Student.

2. Following its review of a Student's records the District of Attendance shall advise the District of Residence whether it can offer a program to the Student.

3. Upon receipt of notice from the District of Attendance that it may have an appropriate program, the District of Residence shall invite a representative of the District of Attendance who shall attend the CSE meeting of the District of Residence.

4. If, upon its review, the Committee determines that the program offered by the District of Attendance is appropriate and designated to meet the needs of the student in the least restrictive environment in accordance with the Individualized Education Program (IEP) developed at the meeting, the District of Residence shall contract with the District of Attendance pursuant to the terms and conditions set forth herein to implement the Student's IEP.

5. Upon its acceptance of a student, the District of Attendance shall issue report cards and progress notes, as required by law, and forward them in a timely manner and simultaneously to the Parent(s)/Caregiver(s) and to the District of Residence.

6. The District of Attendance shall assign a representative of its District, preferably the child's special education teacher or provider, to participate in the Student's annual meeting and other required meetings convened by the District of Residence.

7. The District of Attendance, upon reasonable notice, shall permit a representative or representative of the Committee on Special Education of the District of Residence to visit the program where the child is enrolled.

8. Transportation to and from the District of Attendance remains the responsibilities of the District of Residence.

9. Evaluations – Arranging for and funding evaluations, Independent Education Evaluations, or other required and/or recommended assessments remain the responsibility of the District of Residence.

10. Equipment – The District of Attendance shall arrange for the equipment and materials necessary to provide the recommended service(s) and such costs will be billed to the District of Residence; unless other arrangements are agreed between the parties in writing.

11. Record Confidentiality – The District of Residence and the District of Attendance agree to maintain the confidentiality of any student records provided by one District to the other in accordance with state and federal law. Copies of records may be retained, as needed, for reporting purposes, subject to the protections and confidentiality provisions of the IDEA and the Family Education Rights and Privacy Act (FERPA), and any other state or federal law and regulation related to privacy and personally identifiable information.

12. Discipline – The District of Attendance shall follow and adhere to disciplinary notice requirements related to due process rights afforded to all students, and the procedural protections for students with disabilities enumerated in the State Notice of Procedural Safeguards. In the event that the student is subject to out-of-school suspension, issued by the District of Attendance, the District of Residence should be immediately notified and provided a copy of the disciplinary notice. The District of Residence shall arrange and provide alternative instruction for the student, utilizing the relevant work and materials provided promptly by the District of Attendance. In the event that a suspension longer than 5 days may be imposed, the District of Residence shall convene a Superintendent's Hearing, with the cooperation of the District of Attendance, for purpose of evidence and witnesses related to the underlying disciplinary matter. If the student is subject to a lengthy disciplinary removal, more than 5 days, then the District of Residence will arrange for the student's continued instruction and services consistent with their IEP, using the resources, work and materials provided by the District of Attendance, unless the parties agree otherwise on a case-by-case basis.

13. Compensation – The District of Residence shall reimburse the District of Attendance for the provision of these special education services, based upon actual cost. The District of Residence will be billed yearly. The actual cost is determined using:
    1. The salary/benefits of the teacher, divided by the number of students in the classroom.
    2. The salary/benefits of the classroom aide divided by the number of students in the classroom.
    3. Related services (Speech, OT, PT, Counseling) cost per hour unless billed directly by ONC BOCES.
    4. If the student requires a 1:1 aide, the cost will be determine using the salary/benefits of the aide.
    5. If the District of Residence provides related services or a 1:1 aide themselves, they will not be billed for these.

14. Change of Placement or Program – If, at any time during the course of the contract, the District of Attendance determines that its placement is no longer appropriate to meet the needs of the Student or determines that it is unable to continue to provide all the services recommended on the Child's IEP, the District of Attendance shall notify immediately both the Parent(s)/Caregiver(s) and the District of Residence, in writing, of its concerns and the District of Residence shall schedule a meeting, if necessary, to review the Student's special education program and make whatever changes and recommendations are determined necessary and appropriate to the Student's IEP. Nothing in this agreement would eliminate or alter the District of Attendance's obligation to maintain the student pursuant to the pendency provisions of the IDEA, unless the District of Residence and the Parent(s)/Caregiver(s) reach an agreement that an alternate placement is appropriate.

15. In the event of a dispute over a student's placement, nothing in this agreement is intended to create a pendency placement for a student in the District of Attendance, beyond the term of the original District of Residence contract.

16. Annual Review – Upon the written request of the District of Residence, the District of Attendance shall update the student's present levels of performance and propose new annual goals as a draft for review and consideration by the CSE/Sub-CSE at the student's annual review.

17. Indemnification – The District of Residence shall defend, indemnify and hold harmless the District of Attendance, its employees and agents from and against all claims, damages, losses, and expenses (including, but not limited to, reasonable attorney's fees) arising out of, or in consequence of, any negligent or intentional act or omission of its employees or agents.

18. Applicable Law – This Agreement shall be governed by the laws of the State of New York.

19. Terms of Agreement – This Agreement shall take effect the 4th of September, 2025 and terminate on the 26th of June, 2026. This Agreement will remain in effect for the 2025-2026 school year and may only be extended by written agreement of both Parties.

20. Extended School Year – The District of Attendance is not obligated to offer an Extended School Year Program. In the event that the student is found eligible for extended school year services for the months of July and August, the District of Residence is entirely and solely responsible for securing placement and any related costs. If the District of Attendance begins an Extended School Year Program, the District of Attendance shall notify the District of Residence by June 1, 2026. In the event that the student is found eligible for extended school year services for the months of July and August, the District of Residence shall notify the District of Attendance no later than June 12, 2026 if it is seeking ESY services for the student in the District of Attendance, in light of evidence of substantial regression or recoupment needs. To the extent services or an ESY program is recommended, the District of Residence shall pay the amount billed for the program and any related services provided.

21. Modification – This Agreement shall not be altered or otherwise amended without a writing signed by both parties.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the day and year first written above.

Further, any such access shall be in accordance with applicable district policy and law regarding confidential student records and/or files.

E. GMU CSD is solely responsible for determining transportation eligibility, establishing transportation agreements with parents and/or making any transportation related arrangements.

SECTION TWO: TERM

This paragraph shall be interpreted consistent with the paragraphs below.

B.
