The Rules of Concert Etiquette

Thank you for showing your support for the GMU music program by attending our concert this evening. To ensure a successful performance, and a pleasant experience for everyone in attendance, please review these simple guidelines on concert etiquette.

1. Refrain from talking.

This is the first and greatest rule.

2. Do not enter or exit the auditorium during a performance.

Wait for a break in the concert to visit the restroom, unless you are carrying a screaming child, in which case you should leave as quickly as possible. PLEASE!

3. Do not leave as soon as your child's portion of the concert is over.

All students deserve a full audience for their performance.

4. Turn off cell phones and other noise-making devices.

While many phones have very symphonic-like rings, they don't always fit into the musical score, nor do they provide pleasant sounds for neighbors.

5. Do not take flash photography while students are playing.

If you've ever read music, you know that seeing spots could make things very interesting.

6. Do not sigh with boredom.

If you are in agony, keep it to yourself. Your neighbor just may be in ecstasy, which should also be kept under control.

Special Thanks To:

*Board of Education, Administration,
Faculty, Staff, Maintenance Department,
and our Parents and Students.*

We appreciate your support!!!!
