

# 2024 Candidate Whitney Talbot

Hello! I am Whitney Talbot and I am seeking to retain my seat on the Gilbertsville-Mount Upton Central School District Board of Education.

I grew up in Eastern Kentucky and relocated to the area in 2019 with my husband, Nate, who is a GMU graduate. Our daughter is in second grade at GMU.

I am excited for the opportunity to continue supporting the GMUCSD.

## GILBERTSVILLE-MOUNT UPTON BOARD OF EDUCATION

# 2024 Candidate Sean Barrows

My name is Sean Barrows, and I am running for another BOE term with the GMU district. My wife, Bridget, and I graduated from Gilbertsville-Mount Upton in 1992. As lifelong residents of the school district, we have sent our three boys to GMU as well. Our eldest, Jason, graduated in 2013, followed by Brandon in 2016 and our youngest son, Nathan, graduated in 2022. We are now proud grandparents, and my goal is to assist the district in supporting future generations.

As for my professional life, I have spent 27 years with Amphenol Corporation, from supervising large groups of staff members to directing operations across the globe. I understand what is required to run large operations over several facility locations. This gives me a great amount of management experience, especially with budget restrictions and cost management techniques.

As a BOE member for the past 4 years, I have recognized that our children must be the number one priority in all BOE decisions. I believe my presence on the board has added value, and that my continued presence would assist the district in securing the highest educational standards.

I have appreciated the opportunity to serve on the board for the past several years, and I hope that I can continue to offer support and guidance as we strive to protect our success in the future.
