
MySchoolBucks Information

All Gilbertsville-Mount Upton parents/caregivers can use MySchoolBucks to manage their student's account for school meals online. This easy and secure online service allows families to view student balances and deposit money into their school meal accounts any time at www.myschoolbucks.com.

Each GMU student is eligible to receive breakfast and lunch at no charge through the Community Eligibility Provision, but MySchoolBucks can be used to cover extra milk, snacks and even additional meals. Automatic deposits and recurring payments may be scheduled on the MySchoolBucks website, which also offers low-balance email notifications and extended purchase histories. Please note that any unused money in MySchoolBucks will automatically carry over to the next school year.

To set up an account:

1. Visit www.myschoolbucks.com online
2. Create your account using child's name, lunch ID number, and school zip code (13776)
3. Add money to your child's account with a credit card, debit card or electronic check

Please note that a convenience fee of $2.49 is applied to each deposit regardless of the amount of the transaction. Those who place money into multiple meal accounts will only be accessed the $2.49 fee once per deposit transaction. GMU does not receive this convenience fee or profit from the use of this online service in any way.

For more information, call School Lunch Manager Susan Sebeck at 607-783-2207, ext. 122, or email her at ssebeck@gmucsd.org.
