Dear Parent/Guardian,

Thank you for your interest in our school district. We take great pride in the quality programs and services we provide. Our staff is committed to working cooperatively with children, families, and colleagues to ensure success for all students.

Children who enroll in our school district will be challenged to perform at the highest levels, and our expectation is that they will do their best to exceed federal and state standards. We encourage your active involvement in pursuit of this goal.

Due to a rapidly changing world, where safety and security is no longer an afterthought, our district is extremely careful and vigilant concerning the enrollment process. With heightened sensitivity to federal, state, and local mandates regarding custody, residency, foster care, homelessness, safety and security, we abide by a comprehensive enrollment process and sequence that require:

Proof of Residency; items that may include but not limited to:

- Utility Bills (telephone, propane, oil, electric, cable)
- Property Tax Bill
- Rental Agreement
- Notarized Letter from Landlord
- NYS License

You must provide three proofs of residency.

Registration Documents:

- Birth Certificate
- Social Security Card
- Immunization Records
- Custody and/or Foster Care Paperwork (if applicable)
- Updated Physical
- School Records
- Program Specific Records (IEP, grades, transcripts, etc.)

We address enrollment and registration in a timely matter. However, due to the serious nature of rules and regulations governing the process, additional time and information is occasionally required to complete an application.

If you have any concerns, please feel free to contact me at 607-783-2207, ext. 103.

Sincerely,

Kristy Carey
