Memories and Thank you to...

- My favorite memories are visiting Mrs. Beckwith during ninth period, BOCES, FFA, getting inducted into NTHS, the NYC trip and running equipment. Thank you to Mrs. Cabrinety for always being there for me, Mr. Connell for checking in and being a positive person in my life, Mr. Larsen and Mr. Whitaker for helping me learn things and for always being there for me, and Mrs. Beckwith for keeping me in line.

Future Plans...

- I am planning to earn my CDL and move out west to join the harvest crews.
