Memories and Thank you to...

- My favorite memories are the time that my gym class went on strike and marched around the gym to protest playing football and the time Mrs. Cooke did a split. Thank you to Mrs. H and Mrs. Ruland for all of the love and support throughout my whole high school career, Mr. Seigers for always being open minded and Mrs. Wilcox for giving me the chance to make it this far.

Future Plans...

- I am planning to attend SUNY Broome for Health Science to pursue my career in nursing.
