MEMORIES and THANK YOU TO...

- My best memories include getting to play my junior season of basketball with Ashlyn and playing board games in Mrs. Waghorn's room. I want to thank the school board for allowing me to attend GMU and thank you to Mrs. Rhone and Mrs. Cabrinety for being my "school moms."

FUTURE PLANS

- I am planning to continue my education in the medical field with the hope of becoming a doctor, specializing in orthopedics.
