MEMORIES and THANK YOU TO...

- My best memories were watching Mrs. Wilcox get pied in the face at Junior Carnival, gym class with Miss Beaver, Ms. Izzo's room in junior year and spending time in Miss Speenburgh's room. I want to thank Mrs. Fairbairn for always being there and Izzo for helping me get through junior year. Also Miss Speenburgh for also listening and being someone to laugh with and Mr. Connell for always checking in.

FUTURE PLANS

- I am planning on attending college after graduation and experiencing all that the future holds.
