MEMORIES and THANK YOU TO...

- My favorite memories are hosting Junior Carnival, spending free time in Mrs. Talbot's room and bringing Mrs. Cabrinety treats back from BOCES. I would like to thank Ms. Speenburgh for being a great teacher, Mrs. Carey for keeping me out of trouble, Mr. Connell for being very funny and Mrs. Cabrinety for being my school mom.

FUTURE PLANS

- I am planning to attend college following graduation with the hopes of pursuing a career as a chef in my own restaurant or as a mixologist.
