**NYSPHSAA Announces the Cancellation of All Winter State Championships;  
High-Risk Sports Postponed Until Authorization is Provided**

**LATHAM, NY** -The New York State Public High School Athletic Association (NYSPHSAA) announces the cancellation of all 2021 Winter State Championships and the postponement of all high-risk sports until authorization is granted by state officials. The NYSPHSAA Officers rendered these decisions with input from the NYSPHSAA membership and the 11 Section Executive Directors.

“When examining the feasibility of Winter State Championships, it became apparent that travel and overnight accommodations would create a unique challenge for our member schools,” said Dr. Robert Zayas, NYSPHSAA Executive Director. “At this time, we must prioritize maximizing student participation without a focus on championship events.”

The Association’s decision to postpone all high-risk sports until authorization is granted was reinforced by the increase in infection and hospitalization rates across the State. The New York State Department of Health has determined the following NYSPHSAA-endorsed sports to be high risk: basketball, boys lacrosse, competitive cheerleading, football, ice hockey, volleyball, and wrestling.

The cancellation of the Winter State Championships (bowling, basketball, boys swimming & diving, competitive cheerleading, gymnastics, indoor track & field, ice hockey, skiing, and wrestling) addresses membership concerns associated with increased travel, hotel accommodations, transportation logistics and the planning for meals. Furthermore, venue capacity limitations and social distancing restrictions make it increasingly difficult to ensure the safety of student-athletes, coaches, and families.

“As an educator, I am witnessing first-hand the challenges our member schools are facing each day in addressing this pandemic,” said Julie Bergman, NYSPHSAA President. “It is important we continue listening to the concerns being expressed by our membership when making decisions impacting interscholastic athletics.”

Low- and moderate-risk regular season sports continue to be permitted. The 2021 NYSPHSAA Spring State Championships remain scheduled at this time.

About NYSPHSAA (Twitter: @NYSPHSAA | Facebook: NYSPHSAA | YouTube: NYSPHSAASports): The New York State Public High School Athletic Association Inc. is a non-profit, voluntary, educational service organization composed of public, parochial, and private schools dedicated to providing equitable and safe competition for the students of its member schools. The organization conducts 32 championship events and governs the rules and regulations of high school athletics in New York State. Membership is open to secondary schools providing interschool athletic activities for boys and girls in grades 7-12.
